What Does a Deputy Registrar Do?

A Deputy Registrar registers voters and verifies at the time of registration their identity. Because the individual provides proper identification (ID) to complete this form, there is no ID requirement placed on their voter record. They will NOT be required to show ID when they vote the first time or requesting a Vote by Mail ballot. This allows individuals to vote in a more efficient manner and minimizes identity concerns for election judges.

Requirements to be a Deputy Registrar

- ✓ Registered to vote in Jasper County
- ✓ View the training manual provided by the Jasper County Clerk's Office.
- ✓ Follow procedures outlined by the Clerk's office for the volunteer Deputy Registrar program.

Deputy Registrar Program Rules

- The position of Deputy Registrar is voluntary. Payment for this service is strictly prohibited.
- Be very prompt in turning in completed materials so that they may be processed in our office in a timely manner.
- A deputy registrar or organization coordinator must return completed registration forms to a Jasper County Clerk's office within seven days of the registration form being signed.
- In the week prior to the close of registration, registrars and coordinators must return completed forms within 48 hours of their completion.
- ALL forms completed on the last day before the close of registration must be returned no later than the day after the close of registration.
- Take care of your paperwork!
- The two-part voter registration application is numbered. You will be issued 25 forms within a certain range. You are responsible for these forms. You must account for each form that is issued to you. If you make a mistake and must void a form, turn in the voided form with your completed registration materials.
- Deputy Registrars may accept the registration of any qualified resident of the State of Illinois. The Jasper County Clerk's office will send the registration to the correct jurisdiction, and they will follow up with the voter.
- A deputy registrar may not accept voter registrations in any area where alcoholic beverages are served, sold, or consumed, or register any person who is not legally qualified to register.
- A deputy registrar is PROHIBITED from electioneering while registering voters as a deputy registrar.
- Electioneering is an activity expressing support for, or opposition to, candidates for public offices, referenda, or other questions of public policy. It includes wearing the candidate, party, or cause-related buttons, displaying posters or literature, verbal statements, and distributing such buttons, posters, or literature.
- A deputy registrar may accept registrations at any time other than the 27-day period preceding an election.
- Voter Registration does not re-open until two days after an Election.
- Does my deputy registrar commission expire? Once a deputy registrar is sworn in, his/her commission lasts until November 30th of the next even-numbered year. Once the commission expires, the deputy MUST complete and sign a new oath and return it to the County Clerk's office.
- Failure to follow procedures outlined by the Jasper County Clerk's office for the volunteer deputy registrar program could prompt removal of the deputy registrar from the program.

Online Voter Registration

An individual may register to vote or update their existing voter registration information by visiting <https://ova.elections.il.gov/>. Online voter registration is available during the standard voter registration period.

To use this option, an individual must provide:

- Full Illinois driver's license or State ID form number
- Last four digits of their Social Security number
- Date the Illinois driver's license or state identification form was issued.

If the individual cannot provide a full Illinois driver's license or State ID number and they answer NO to the question when presented, the website will re-direct them to the Manual Voter Registration Form. They can complete the information on the page, print the form, sign and mail to our office.

The Different Registration Periods

The most important part: it is almost impossible to miss your opportunity to register and vote in Illinois.

Standard Voter Registration

Standard Voter Registration includes:

- Deputy Registrar registrations
- Online Voter registration

Standard Voter Registration starts 2 days after the election and goes on until 27 days before the next election.

Once standard voter registration has "closed", which is also the close of registration by deputy registrars, Grace Period Voter Registration begins and goes through Election Day.

Grace Period Voter Registration

Also referred to as "same day registration," meaning the voter registers and votes in the same exchange.

Registration requirements are the same as standard voter registration.

Grace Period Registration starts the day after online voter registration closes and is available through Election Day.

Election Day Voter Registration

Grace Period Voting is in effect on Election Day. Any eligible voter can go to a universal polling location, the County Clerk's office, or their precinct and register and vote on Election Day.

Registration requirements are the same as standard voter registration.

Helpful Tips to Being an Effective Deputy Registrar

- Nobody knows you're a deputy registrar unless you tell them.
- Most people will not register to vote unless they're asked.
- **Updating someone's registration address is just as important.** This will be a big part of the work you do.
- Call a few friends tonight while what you've learned is fresh in your mind.
- Ask if they and others in their household are registered at their current address.
- If not, make an appointment to drop by and sign them up.
- Tomorrow at work, do the same.
- You may be surprised to find that many of them haven't taken care of this basic responsibility of citizenship.
- When registering people in a public place, here are some important tips to remember:
 - Always look people in the eye and quickly ask, "Are you registered to vote at your current address?"
 - Eye contact is essential because people in public places automatically screen out strangers, including silent ones sitting at registrar tables.
 - If you don't speak up, they will pass you by.
- Check with your church, your workplace and/or any union, community, or civic organization to which you belong.
- Any meeting, picnic or lunch break could be a registration opportunity. Take advantage of any public gathering.
- Always ask the permission of the store manager or organizer of a meeting or event before you set up your site.

If you are planning a registration drive, please alert the Clerk's Office so we are prepared for a higher volume of registrations.
