Mayor Pro Tem Swick: Big shout out to the city employees that helped resolve the water break issues we had over the weekend.

Water Department Head Tyler Weber elaborated on the issue: Friday morning something “popped” in our water system. The guys could not locate the leak for three days. It ended up being a double main blowout at the bottom of the creek behind Tarr Chiropractic. Once the problem was located, the guys dug down and got it fixed. This happened to be a weekend I was out of town, so I personally want to thank Carson Brown, Adam Painter, Brent Benefiel and Scott Rubsam for stepping up, working through their weekend, and resolving this issue.

Mayor Pro Tem Mike Swick: Hoped everyone had a wonderful weekend. The weather was beautiful but we could use a rain.
