

Electric Committee Meeting Minutes

Tuesday, September 8, 2026

6:00 PM – 7:02 PM

Present: Gayle Glumac, Larry Brooks, RJ Lindemann, Mike Swick, Melissa Brooks, Maggie McDonald, Amy Tarr, Brenda Phillips, John Phillips and Matt Tarr

Meeting was called to order at 6:00 PM.

- RJ and Gayle highlighted points from the meeting with Norris Electric. Pros and cons were discussed.
- Matt Tarr provided an update on the city's substations and current system needs. He explained that a comprehensive substation analysis would identify necessary upgrades and improvements to ensure the substations are adequately equipped to meet the city's current and future needs. The committee reached a consensus to proceed with the substation analysis.
- Verizon will be installing a 5G antenna.
- The boring project on the south side of Curtis Street is anticipated to begin the following week.
- Keeping AED machines on the Electric Department vehicles for emergency response purposes was discussed.

Meeting adjourned at 7:02 PM.
